

Find the love in your heart

---

In the end its you who chooses  
You're the one who wins or loses  
You're the one who makes or fakes  
Your life.

Opportunity surrounds you  
To love all those around you  
All you have to do is open your eyes

chorus

You must find the love in your heart  
Make God's love a bigger part of your  
life  
Find the love in your heart  
Make God's love a bigger part of your  
life.

And in the end its you who chooses  
You're the one who grows or refuses  
You're the who must take and shape  
Your life.

Hear the cries of your brothers and  
Sisters  
Will you hide or will you help them  
Everyday of your life you make up  
Your mine.

You are my joy

---

You're my joy, you're my peace, you're  
my strife  
You're my goal, you're my love, you're  
my life,

Only the name of the Lord in my heart  
Even my death will not keep me apart.

When I sing your name lord  
I can feel you near  
So I sing all my life until you're here.

Even if...

---

Even if you never come to me  
Even if I never see your face  
Even if your far across the sea  
Even if I never feel your grace

I will wait and watch for you  
I will sing alone  
Loving you means more to me  
Than anything that I have ever known.

Even if the dawn will never come  
Even if the whole world turns away  
Even if my song remains unsung  
Even if I never see the light of day.

I will wait and work for you  
I will never rest  
There's no darkness quite so deep  
That I don't find you deeper deeper yet.

Amazing grace

---

Amazing grace how sweet the sound  
That saved a child like me  
I once was lost but now I'm found  
was blind but now I see.

Was grace that taught my heart to fear  
And grace my fear relieved  
How gracious was that grace appear  
The hour I first believed.

Through many dangers, toils and  
Snares  
We have already come  
Was grace that brought me safe thus  
Far and grace will lead me home.

When we've been here ten thousand  
Years  
Bright shining as the sun  
We've yet more days to sing God's  
Praise  
Than when we've first begun.

Baba, you are my love

---

Baba, you are my love  
Baba you're mine.  
When tears fill my eyes so I cannot see  
the beauty of you that surrounds me  
When everything seems to be down  
and gone  
It helps me to sing this song.

Baba where are you?

---

I am missing you  
oh Baba where are you  
Though I can't see you  
I hear your voice all around  
Though I can't touch you  
I feel your love all around.  
Please come wipe my tears  
and make me smile.

An iceberg

---

I was an iceberg and you were the sun  
That made my frozen water free to run  
I was a desert and you were the rain  
That made my barren ground fertile  
again

chorus:  
You have taken my heart  
Oh Babaji but how long will it be oh  
guruji  
Till you've taken the rest of me.

I was a seed and you were the earth  
That nurtured my life from the moment  
of its birth  
I was a tree and you were the spring  
That covered my branches with the  
love that you bring

chorus  
I was a branch and you were the knife  
That curved this instrument and  
brought it to life  
I was a flute and you were the song  
and the hand that held me where I  
belong.

Many are the stars

---

---

Many are the stars that burn in empty  
space  
But my life revolves only around you  
Oh shining one, oh shining one  
This earth is only a broken piece of  
sun.

Baba beloved

---

Baba is with you children of light  
Baba is with you through every dark  
night  
Baba is with you children of light  
so fear not, fear not.

chorus  
Baba beloved, Baba beloved,  
Baba beloved, Baba beloved.

Remember him always the most  
precious one  
Clouds cannot hide the rising sun  
Remember him always the most  
blessed one  
and fear not, fear not.

chorus

Call him in silence call him in prayer  
Enter your heart and find him there  
Baba will guide you, Baba will care  
So fear not, fear not.

chorus

And when you sing, you sing with  
Baba  
And when you dance, you dance with  
Baba  
And when you cry, you cry with Baba  
So fear not, fear not.

Oh Baba mine

---

Oh Baba mine thou art so dear  
Oh Baba mine thou art so sweet  
Oh take me in thy loving arms  
And give me all devotion to thee.

I see thee walking through the forest  
I see thee sitting in the fields  
I see thee smiling eyes half closed  
So full of love, that's how i see thee.

Oh now we know the lord has come  
Awake awaken all ye souls  
The Lord himself, yes he has come  
And he will bring us back to him.

Oh light my light, oh world filling light  
The skies have opened and the wind  
runs wild  
The light is streaming through the  
clouds  
Oh Baba mine show me the light.

Thou have made me known to friends  
I knew not  
Thou have given me seats in home not  
my own  
And thou has brought the distance near  
And he who was a stranger is now my  
brother.

Oh Baba mine thou art so dear  
Oh Baba mine thou art so sweet  
Oh take me in thy loving arms  
And give me all devotion to thee.

As I think upon your name lord

---

As I think upon your name lord  
Thy name that means everything  
Tears are rising rise up in my eyes  
And I can only think of thee.

And as I think upon your name lord  
Thy name that means everything  
There's a bursting of love inside my  
heart  
And I can only think of thee.

Thee the one who is my own true self  
Thee the one who is so near  
Thee the one who is in all of us  
together...  
Thee the one who is the one.

Oh lord let the tears rising rise up in  
my eyes  
Lord let the love that's bursting burn  
inside my heart  
I'm gonna build a proper house for the  
lord inside my heart..  
So I will never be alone away from  
home,  
And I will never be a lone away, alone  
away, alone away,  
Alone away from my true home.

T's a gift to be simple, t's a gift to be free

T's a gift to come round where you want to be

And when you find yourselves, in the place just right

It will be in the valley, of love and delight

When true simplicity is gained

To bow and to bend we shall not be ashamed

To turn and to turn will be our delight

Till by turning and turning we come out right

**Just your touch can lift us high**

Do few things but so them well

Heartfelt work is holy
